Attention: ONLY ACADEMIC PURPOSES. Use these materials for awareness and defensive training in authorized environments.

Program Goals

Raise awareness to reduce successful social engineering attempts. Combine microlearning, phishing simulations, and in-person workshops.

Curriculum Outline

- Week 1: Phishing basics and email hygiene.
- Week 2: Phone and physical security (verification scripts).
- Week 3: Reporting and incident response procedures.

Measurement

Use simulated phishing metrics, reporting rates, and retest after refresher training to measure program efficacy.
